

Future Unicorns Launchpad 2023

#BUILDINGFUTURELEADERS

Grooming Young Entrepreneurs for India's Future

Future Unicorns Launchpad (FUL) is India's biggest entrepreneurship talent hunt platform for students. It is an opportunity for Indian business stalwarts to empower and groom tomorrow's entrepreneurs.

Get Set Learn and TiE Bangalore, the organisers of FUL aim to accelerate the vision of entrepreneurship education and ensure that students learn about team building, business plans, market and leadership strategies, and innovation to build great products and companies.

3

The students will also get an opportunity to network with peers, unicorn startup founders, academicians, mentors from across India and to expose them to different cultures, ideas, perspectives and attitudes experienced in a global economy. Our focus is to develop a long-term vision for India's young talents:

- Build the skills required to succeed in life
- Mentor to create a business plan pitch
- Enable big ideas that create future unicorns

Rewards and Recognition

For Participants

- + Networking with the brightest young minds
- + Annual learning resources for entrepreneurship
- + Entrepreneurship Certification for Schools and Students

- + Publicity and Media Coverage

TiE Bangalore is a brand synonymous with entrepreneurship. As a non-profit founded in 1992, the organization has created and has continued to create entrepreneurs who have spread its legacy not only in India but across the world.

Launched in 2021 by the Arvind Mafatlal Group, we are building the world's largest hybrid K12 learning content and services organizations.
